

ART CHALLENGES DURING LOCKDOWN

LEVEL 2 ART

Try some of these challenges – you could do them with your family or on your own. Take photographs and save them ready for later when we return.

You can photograph your work and send them to me on our Teams page or email them over. I would love to see what you have done!

CHALLENGE 1

Draw the view of a window sill and view out of the window. Will you keep it black and white or add colour? Use a medium of your choice.

CHALLENGE 2

Watch the following link:<https://www.bbc.co.uk/programmes/articles/1qH7HdsPvm8vvRSjHv7Cw7C/meet-the-man-drawing-everything-in-his-grandfather-s-shed> create a piece in the style of the artist using pen line drawing only of objects from your bedroom or a shed if you have one. Try to fill the page in the same way as the artist. Artist is called Lee John Phillips.

CHALLENGE 3

Create a sculpture from found objects in your home or garden. You could use recycled materials

or create some land art, if you have a garden, in the style of Richard Long or Andy Goldsworthy. Google the artists to find out more about them and what they have created. Take photographs of anything you may make.

CHALLENGE 4

Pallant House, Chichester (Art Gallery)

Have a look at the website for this Gallery and see if there are any artists you are interested in. Do a little reading and research and add them to your sketchbooks if you can. There are activities to do at home too, if you want to do them, have a look and see what you can discover.

Here is a link to get you started:

From Van Gogh to Howard Hodgkins, explore colour in art with us
